

1. Introduction. This Agreement covers this Professional Platinum VISA Credit Card issued by iQ Credit Union ("Lender"). In this Agreement the words "you," "your," "yours," "applicant," and "Borrowers" mean the organization or member to or for whom the Cards are issued under this Agreement. The words "we," "us," "our," and "Lender" means iQ Credit Union. The word "Card" means any one or more credit cards issued under this Account. The following terms and conditions govern this Account.

2. You Promise to Pay. You promise to pay us in United States dollars, by cash, check, or money order as provided in this Agreement, all such amounts, plus FINANCE CHARGES, which arise from use of the Card or Account by you or any other person, and to be jointly and severally liable with such a person, unless such other person does not have actual, implied, or apparent authority for such use, and you received no benefit from the use. This includes any loan requests for credit card purchases, payments to a third party, or for deposit to a deposit, share, or share draft account of yours, or any co-applicant at the Credit Union. You agree to pay advances requested by any co-applicant the same as if you asked for the loan and it was paid to you.

3. Purchases and Cash Advances. You must sign the Card to use it. Once you have signed the Card, you can use it to buy or lease goods or services, wherever the Card is honored, up to the full amount of your credit line. You also may use your Account and Card to get cash advances from us or participating financial institutions. You may use your Card and personal identification number ("PIN") to obtain cash advances at automated teller machines ("ATMs") designated with the VISA or Plus System networks. The periodic statement will identify the merchant or financial institution, at which transactions were made, but sales, cash advances, credit, or other slips cannot be returned with the statement. We may impose a reasonable charge for photocopies of slips you may request.

4. Convenience Checks. If we approve, you may obtain advances under your Account by writing preprinted loan drafts ("convenience checks") that we supply to you. Your use of convenience checks will be shown as credit advances on your periodic statement. We may not honor the convenience check if it is postdated, payment of the check will exceed your credit limit, a convenience check is signed by a person without authorized access, the amount of the check is less than the minimum required amount, your Account has been terminated or suspended, or any convenience checks have been reported lost or stolen. You may stop payment on a convenience check if you provide us with the exact information describing the convenience check. If you give us incorrect information, we will not be responsible for failing to stop payment. You understand there may be a charge for convenience check printing and charges for stop payment requests, returned items, check copies, and other fees or costs we incur in handling your convenience checks. Our liability for a wrongful dishonor is limited to your actual losses; however, a dishonor for the reasons stated above is not a wrongful dishonor.

5. Rebate Program. You may earn a 1% cash rebate on your account if you meet the following requirements:

- Cash Rebate on Net Purchases. You may earn a 1% cash rebate on net purchases (purchases less returns for credit) made during the rebate period in which the net purchases posted to your account. The cash rebate will be calculated on cumulative net purchases posted to your account for the prior rebate period. To illustrate, let us assume during the first rebate period of the year (January –March) your total net purchases equal \$3500. In this example, we would multiple \$3500 by 1% which would equal a cash rebate of \$35

There are four rebate periods in each calendar year. January 1 through March 31, April 1 through June 30, July 1 through September 30 and October 1, through December 31. The cash rebate for the prior rebate period will be credited to your checking or savings account by the 15th day of the month following the end of the prior rebate period. Your account must remain open and in good standing order to receive the cash rebate. If at any time your account is assessed a late fee, is closed or is in default, you will forfeit all cash rebates accrued through the calendar quarter in which your account was closed, or the delinquency or default occurred. The terms and conditions of this

rebate program may be changed or cancelled at any time and for any reason without notice.

6. Minimum Periodic Payment. Payments received at the mailing address shown on your statement on any business day by 5:00 P.M. Pacific Time will be credited to your Account as of that date; payments received by mail at that address after 5:00 P.M. Pacific Time, or on a weekend or federal holiday will be posted to your Account as of the next business day. Payment crediting to your Account may be delayed up to five (5) days if your payment is received by mail at any other address or not accompanied by the remittance portion of your Account statement.

7. Periodic Statements. If, at the end of any monthly periodic interval which we may determine the "Billing Cycle," you have an outstanding undisputed debit or credit balance in your Account, or if there is any FINANCE CHARGE imposed with respect to your Account, we will send you a periodic statement regarding the Account for that Billing Cycle. The statement will show any purchases, cash advances, payments, and credits made to your Account during the Billing Cycle, as well as your "New Balance," any FINANCE CHARGE, any late charge, or other charges. You may elect to receive your statement information electronically. Your statement also will identify the "Required Payment Due" you must make for that Billing Cycle and the date it is due. You may pay in full for all your purchases and cash advances each month or you may repay in monthly installments. You agree to retain for statement verification copies of transaction slips resulting from each purchase, each advance, and other transaction on your Account. Unless you notify us of a billing error as described below, you accept your monthly statement as an accurate statement of your Account with us.

8. Credit Line. This Agreement will constitute a revolving line of credit, and we will advise you of the amount of your credit line. That amount will be the maximum amount you may have outstanding at any one time. You agree not to attempt to obtain more credit than the amount of your credit line. However, if you temporarily exceed your credit line, you agree to pay any overlimit fees and repay the excess immediately, even if we have not yet billed you. Obtaining such credit does not increase your credit line. We retain the right to increase or decrease your credit line at any time for any reason. Any increase or reduction on the limit of your credit line will be shown on your monthly statement or by separate notice together with any changes in the applicable minimum monthly payments. The minimum credit limit is \$2,500.

9. Circumstances Under Which a Finance Charge Will Be Imposed. The total outstanding balance of purchases and cash advances in the Account on the closing date of a Billing Cycle, including any FINANCE CHARGE will be shown on the Periodic Statement for that billing cycle as the "New Balance."

- Purchases. A FINANCE CHARGE will be imposed on the unpaid portion of purchases included in the New Balance when your New Balance is not paid in full by the due date shown on your periodic statement. This "grace period" allows you to avoid a FINANCE CHARGE on purchases for a billing cycle. However, if you do not pay the New Balance for purchases within the grace period, your FINANCE CHARGE will accrue on any unpaid purchase transactions from the first day of the billing cycle.
- Cash Advances. A FINANCE CHARGE will be imposed on cash advances from the date each cash advance is made. There is no time period within which to pay to avoid a periodic FINANCE CHARGE on cash advances. In addition, a Cash Advance Fee (FINANCE CHARGE) equal to two percent (2%) of the advance (or \$5.00, whichever is greater), will be applied to each cash advance.

10. Method Used to Determine the Balance on Which the FINANCE CHARGE May Be Computed. We figure the FINANCE CHARGE on your Account by applying the Periodic Rate to the "Average Daily Balance" of purchases and cash advances for your Account (not including current transactions). To get the "Average Daily Balance" we take the beginning balance of your Account each day, add any new purchases or cash advances, and subtract any payments or credits, unpaid FINANCE CHARGES and unpaid late charges. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average Daily Balance."

11. Method of Determining the Amount of the FINANCE CHARGE. We figure the FINANCE CHARGE for purchases and cash advances by multiplying the Average Daily Balance of purchases and cash advances by the number of days in the Billing cycle and then by the applicable periodic rate. The FINANCE CHARGE for any Billing Cycle will be the sum of the FINANCE CHARGE for purchases and the FINANCE CHARGE for cash advances. However, the portion of your balance that is the result of purchases has a different treatment. If you paid the entire New Balance shown on the previous monthly statement by the payment due date shown on that statement, the portion of the New Balance shown on the current statement that is attributable to purchases that is paid by the payment due date shown on that statement will be excluded from the calculation of the balance each day. For this purpose, payment will be applied first to unpaid FINANCE CHARGE, then to unpaid purchases and cash advances from prior billing statements, then to unpaid purchases and cash advances from the current billing statement. At our option, the minimum payment may be applied first to the portion of the balance that is subject to the lowest interest rate. Payments in excess of the minimum payment will be applied first to the portion of the balance that is subject to the highest rate..

12. Periodic Rate and Corresponding ANNUAL PERCENTAGE RATE. The Periodic Rate that is used to compute the FINANCE CHARGE and the corresponding ANNUAL PERCENTAGE RATE is variable, and will change based on changes in an index, which is the Prime Rate quoted on the 15th day of the last month of the prior quarter as published in The Wall Street Journal (Western Edition). We add a margin of 4.99 percentage points to the index to obtain the ANNUAL PERCENTAGE RATE. The ANNUAL PERCENTAGE RATE includes only interest and not other costs. The ANNUAL PERCENTAGE RATE is divided by 365 to produce the daily Periodic Rate. The Periodic Rate and ANNUAL PERCENTAGE RATE that will apply to your Account will be disclosed on the notice that accompanies (and is a part of) this Agreement when you open your Account. The ANNUAL PERCENTAGE RATE will in no event be higher than 18%, over the life of the credit line. The rate will be adjusted on the twenty fifth day of each calendar quarter (January 25, April 25, July 25, and October 25).

13. Conditions Under Which Other Charges May Be Imposed. We may impose the following fees and charges on your Account:

- Annual Fee. An annual fee of \$25 (per loan) will be charged to your Account each year.
- Cash Advance Fee. The fee (FINANCE CHARGE) for a cash advance is the greater of 2.00% of the cash advance amount or \$5.00.
- Late Fee. A late fee of \$25 will be imposed when any payment is 15 days past due.
- Miscellaneous Photocopying. If you request a copy of a sales draft or other document, we may charge your Account \$5 per copy and \$35 per hour for research. These charges cover the costs of locating, copying, and delivering the documents to you. If a request is related to a billing error and an error is found, we will reverse any photocopying charges.
- Replacement Card Charge. A \$5 charge per card will be imposed for each replacement card you request, regardless of the reason.
- Convenience Check Stop Payment. A \$25.00 charge will be imposed for each convenience check stop payment request (includes verbal requests).
- ATM Surcharges. If you use an ATM that is not operated by us, you may be charged an ATM surcharge by the ATM operator or an ATM network utilized for such a transaction. The ATM surcharge will be charged to your account if you elect to complete the transaction.
- Fees and Costs. We may pay someone else to help collect your Account if you do not pay. You agree to pay us all costs to collect your Account, including court costs, reasonable attorney fees and costs, and collection agency costs, if

applicable, whether or not there is a lawsuit, and fees on any appeal and fees for bankruptcy proceedings, appeals, and any post judgment collection services, if applicable. These fees and costs may be added to your loan balance and bear interest at the ANNUAL PERCENTAGE RATE applicable at that time.

14. Foreign Transaction Fee: Purchases made in foreign countries will be billed to you in U.S. dollars. The currency conversion rate for international transactions as established by VISA International, Inc. is a rate selected by VISA from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate VISA itself receives, or the government mandated rate in effect for the applicable central processing date. In addition, you will be charged a Foreign Transaction Fee of up to 1% of the transaction amount for any card transaction made in a foreign country.

15. Security Interest. To secure your Account, you grant us a purchase money security interest under the Uniform Commercial Code in any goods you purchase through your Account. If you default, we will have the right to recover any of these goods, which have not been paid for through application of your payments in the manner described in Section 11. Except for real estate loans or loans secured by a dwelling, collateral securing other loans with us also may be used to secure this Account. You also pledge all of your present and future Credit Union accounts and any earnings thereon as security for obligations under your Account.

16. Conditions of Card Use. The use of your Card and Account are subject to the following conditions:

- a. **Ownership of Cards.** Any Card or other credit instrument or device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. - d. **Personal Identification Number.** We may issue you a Personal identification Number ("PIN") for using your Card to obtain cash advances at automatic teller machines ("ATMs"). These numbers are issued to you for your security purposes. These numbers are confidential and should not be disclosed to third parties. You are responsible for safekeeping your PIN. You agree not to disclose or otherwise make available your PIN to anyone not authorized to sign on your Accounts. that amount plus any attorney's fees and costs provided by us. We can delay enforcing any right under this Agreement without losing that right or any other right.
